3-10-2022

This notice is to inform our customers that Brown's Hill Quarry will be closed for all retail sales in 2022. We will not be processing crushed or alluvial products or offering any remaining inventory for public sale. The counter, office, and scales will be closed.

We are excited, however, to continue to offer commercial quotes for processing large quantities of crushed, alluvial, or small rip rap products on a project-specific basis. Please email bhqcs@briceinc.com or call 907-488-2527 for assistance with potential orders or quotes.

Thank you.
